

The University of Texas at Austin Office for Inclusion and Equity

Vision and Goal Setting Template

This template will help colleges/schools/administrative units look across the data and planning process to develop specific goals, action items, and implementation strategies. The Vision and Goal Setting Template content is adapted from the [University of California, Berkeley Division of Equity and Inclusion Strategic Planning for Equity, Inclusion, and Diversity Toolkit](#).

Clarify Your College/School/Administrative Unit Vision

As a committee, imagine what the college/school/administrative unit will be like in 5 years if the diversity plan is successful. Questions to guide the discussion might include:

- What impact do we hope to achieve within the college/school/administrative unit as a result of the diversity plan and implementation?
- How would we like our college/school/administrative unit to be recognized in relation to diversity, equity, and inclusion within the university and in the larger community?
